# GANG STER

design **matteo ugolini**

Iconica collezione di lampade in ceramica, dalle forme geometriche rigorose, pulite, liberamente ispirate a quelle che campeggiavano un tempo nei luoghi del lavoro, nelle officine, negli esercizi commerciali.

Karman ne ha fatto una delle collezioni più rappresentative della propria offerta.

Concepite inizialmente nella versione bianco lucido e bianco - bronzo, oggi queste subiscono una ulteriore evoluzione, evidenza dei tempi e di una mutata sensibilità.

Al bianco lucido, vengono affiancati il grigio opaco ed il verde salvia opaco, a dimostrazione della volontà di ampliarne la possibilità di utilizzo e di uscire dagli schemi preconfezionati per cui una lampada possa essere utilizzata in determinati contesti e meno in altri.

*Iconic collection of ceramic lamps, featuring strict geometric shapes, clean, freely inspired by those that once dominated workspaces, workshops, and commercial establishments. Karman has made it one of the most representative collections of its offer. Initially conceived in glossy white and white-bronze versions, today they undergo further evolution, reflecting the times and a changed sensibility.*

*Matt gray and matt sage green are now added to glossy white, demonstrating the desire to expand their range of uses and break free from preconceived notions that a lamp can only be used in certain contexts and not in others.*

# SAHARA

Questa collezione di lampade, dai connotati inequivocabili, appartiene allo storico di Karman. Presentata inizialmente nella finitura bianco lucido e verde intenso lucido, ha subito un restyling a conferirle un'immagine aggiornata e dinamica, ampliandone in tal modo le possibilità d'utilizzo. Come è accaduto per la collezione Gangster, alla finitura bianco lucido vengono affiancati il grigio opaco ed il verde salvia. Una nuova veste, dunque, per una collezione che mantiene inalterata la raffinata freschezza del tratto, capace di evocare contesti tipicamente mediterranei.

*This lamp collection, with its unmistakable features, belongs to Karman's history. Initially presented in glossy white and glossy intense green finish, it underwent a restyling to give it an updated and dynamic image, thus expanding its possibilities of use. As it happened with the Gangster collection, matt gray and sage green are now added to the glossy white finish. A new look, therefore, for a collection that maintains the refined freshness of its design, capable of evoking typically Mediterranean settings.*
